

Everything ready for your train trip

Arrive at the station in advance and follow these steps

Leave your luggage in the designated area

If you have large luggage, take it to the left luggage area or leave your luggage in the or leave your luggage in the train's luggage compartment if necessary. For carry-on luggage, be sure to take it with you on board.

Go to ticket control

Present your train ticket and the necessary documentation for your trip. You can use paper or digital tickets, depending on what the train company offers.

Find your boarding platform

Confirm the platform number on the station information screens or ask the station staff. Don't be late!

Confirm your seat

If your ticket includes a reserved seat, verify the car and seat number. Wait your turn to board, as directed by station personnel or announcements.

On this trip you can bring:

1 Small bag or backpack: under the front seat.
